

ASHUTOSH RATH

MCA Student | Java | Spring Boot | Angular | Full-Stack Development

Phone: +91 7847858387 | Email: ratha6144@gmail.com | LinkedIn: linkedin.com/in/ashutosh-rath-099453325

CAREER OBJECTIVE

Motivated MCA student with hands-on experience in Java and full-stack web application development. Skilled in Spring Boot, Angular, REST APIs, MySQL, Data Structures & Algorithms, and software development tools. Interested in building practical, scalable applications and seeking opportunities to apply technical skills while continuing to grow as a software developer.

EDUCATION

Master in Computer Application (MCA) — Centurion University of Technology and Management (Expected 2027)

TECHNICAL SKILLS

Programming	Java, C, Python (Basic), JavaScript, TypeScript
Backend	Spring, Spring Boot, REST APIs
Frontend	Angular, HTML, CSS, JavaScript, TypeScript
Database	MySQL
Core	Data Structures & Algorithms, Object-Oriented Programming, Problem Solving
Tools	Git, GitHub, IntelliJ IDEA, VS Code, Maven
Cloud	AWS (Basics)

PROJECTS

Servease — Service Management System

- Developed a full-stack web application using Spring Boot for the backend and Angular for the frontend.
- Built RESTful backend APIs and integrated MySQL for persistent application and user data.
- Implemented user authentication and account-management flows including login, registration, forgot-password and OTP-based verification.
- Developed an admin dashboard and application functionality for managing service-related data.
- Worked across frontend, backend, database integration and API communication to build the complete application.

SmartShop — E-commerce System

- Built product management and order-handling functionality.
- Designed backend logic for efficient product and order operations.

College Management System

- Developed a system for managing student records.
- Improved data organization using database integration.

ACHIEVEMENTS

- Built and deployed a personal portfolio website.
- Completed multiple real-world development projects.

CERTIFICATIONS & LEARNING

- AWS Cloud Practitioner — In Progress
- Java Programming & Data Structures

SOFT SKILLS

Problem Solving, Communication, Team Collaboration, Time Management

LANGUAGES

English, Hindi, Odia
